AN ADDRESS TO THE PEOPLE OF OREGON

Vindication of the Course of the Republican Members of the Legislature

We the Republican Representatives [illegible] from the counties of C[illegible] and Curry [illegible] Yamhill, Mar[illegible] [illegible] of the State of Oregon [illegible] people in the re[illegible] the House of Representatives [illegible] October Before asking your [illegible] rage unprecedented [illegible] we desire to say [illegible] apology to the [illegible] majority is trifling away the [illegible] this session in useless discussions [illegible] speeches and the exaction of [illegible] extravagant and burdensome legislation [illegible] attempts [illegible] itself with [illegible] the Appropriation bill [illegible] of forty days is a sufficient [illegible] course [illegible] and the people of entire Oregon [illegible] enter into a history of the course of this Legislature with the arbitrary manner in which the minority was treated We therefore propose to submit a statement to the public, of the proceedings of the majority and after a hearing of the following facts we are assured of the people's support in the rectitude of our conduct

The Democratic majority in the Senate Chamber, inaugurated their administration by a course of procedure unparalleled in the history of the State in palpable violation of the Constitution and in utter disregard of the rights of Republican members on the floor We refer to the ousting of Messrs Dolph and Sels and the admission of Messrs Stout and Driebilbis Democrats, to their seats not mentioning their revolutionary organization

The Constitution of the State provides that "The Senators elect at the first session of the Legislative Assembly shall be divided by lot into two equal classes as nearly as may be and the seats of the Senators of the first class shall be vacated at the expiration of two years and those of the second class at the expiration of four years so that one half, as nearly as possible shall be chosen biennially forever thereafter *And in case of the increase of the number of Senators, they shall be so annexed by lot to one or the other of the two classes*"

The State Senate first consisted of sixteen Senators Six Senators were subsequently elected to wit one in Multnomah and five in the counties east of the Cascade mountains In 1864 the counties of Wasco and Baker elected each a Senator for the first time thus increasing the number to eighteen In 1866 by legislative enactment of 1864 Multnomah elected an additional Senator, and Umatilla, Grant and Union counties each elected one State Senator who took their seats two years ago The clause in the Constitution above referred to, was not carried out two years ago in the case of the Senators elected and the consequence was that the four additional Senators were not divided into the two classes by lot as contemplated and required by the Constitution Each, therefore, claimed a term of four years It will readily be perceived that there were four persons to cast lots In gross violation of the Constitutional provision, the State Senate deliberately resolved that Dolph of Multnomah, a Republican Senator should draw with his Republican colleague, in order to create a vacancy for Mr Stout, Democrat of Multnomah Mr Sels Republican Senator from Grant county, was elected to fill the unexpired term of Stearns Republican who had resigned but this case was not even disposed of by allotment, it being decided by a vote in the Senate that a Democratic contestant, Driebilbis, without any certificate of election, was entitled to the seat of Sels

Thus while the Senate obliged Mr Dolph to draw, it protected the Democratic Senators from Baker and Umatilla counties from drawing for the long or short term, and even Grant county in the case of Driebilbis Thus to protect Democrats, the Constitution was plainly violated and a Republican *forced* to draw with his Republican colleague, instead of being permitted to draw with the Democrats referred to and competing for a long or short term as contemplated in the constitutional provision

What right had the Legislature to say that either of the Senators from Umatilla Baker or Grant counties were entitled to the long term before drawing as provided by the Constitution? or what right had the Senate to demand that Dolph should draw with his colleague reducing his term two years, when an allotment should have been had in which all the Senators from the counties named should stand upon the same basis He might have drawn a long term and those Democrats now upon the Senate floor officiating for a long term might have been allotted the short term? There was no law authorizing the Senate Clerk to draw The Constitution says the member shall himself draw and by this arbitrary proceeding a member was forced out of his seat Any course in opposition to the plain language of our State Constitution in this particular is revolutionary and an infringement of the representative rights of the people

The reason this course was not permitted was in fear that if an impartial allotment should take place, some or all of the Democratic Senators, who had not yet been allotted, would have drawn the short term Thus were the rights of the people outraged merely in order that a partisan feeling might be gratified

In the House, the proceedings if possible were still more extraordinary Bensal a member from Benton county, appeared at the commencement of the session with his certificate of election, and on a reference to a committee a majority of whom were Democrats that committee reported Bensal as duly entitled to a seat in the Legislative Assembly, which report was adopted by the Democracy and Bensal was sworn in as a member of the House Soon after, however, a Mr Bellinger appeared and contested his seat [illegible] the Union members on the committee solemnly protested that Bellinger had shown no sufficient reason why he should be entitled to Bensal's seat and notwithstanding that [illegible] Democratic delegation had declared that Bensal was [illegible] entitled, and yet in the face of the most solemn protest on the part of every Union member of the House Bensal's seat was declared vacant and Bellinger was sworn in to occupy it

Notwithstanding this insult to the Union members they still determined to proceed as rapidly as possible with business and adjourn within the shortest space of time consistent with the interests of the State Their wish was to finish up the necessary legislation within the time contemplated by the Constitution and the State will bear witness that it was their honest endeavor to perform their duties and work for the good of the whole But how were these endeavors met? During the former part of the session, a member from Wasco introduced Senate Joint Resolution No [illegible] withdrawing the consent of Oregon to the 14th amendment to the Constitution of the United States This proposed amendment Wm H Seward on the 20th of July last declared to be a part of the Constitution having received the assent of the requisite number of States Of course it was supposed that the Democracy who have always boasted so loudly of their fidelity to the instrument would not thus so publicly [illegible] to destroy it Yet after the most criminal delay of other business this joint resolution was passed exclusively by Democratic votes abrogating the Constitution of the United States as far as the Democracy of Oregon was concerned Had this amendment not yet have received a requisite majority to entitle it to become a part of our Constitution then some excuse might have been entertained but it has become the fundamental law and the Democracy of Oregon now stand impeached of a deliberate attempt to [illegible] the instrument they profess so ardently to admire

The Democracy finding themselves [illegible] capable of carrying this treasonable resolution and emboldened by the same spirit that [illegible] their Democratic brethren in the South [illegible] launched forth into the most monstrous excess The next movement was to [illegible] Democratic [illegible] up in the heads of our Senators [illegible] declaring that they were acting [illegible] and peremptorily demanded their resignation In New York and Ohio [illegible] been paralleled with Oregon [illegible] Union with a Democratic Legislature [illegible] never [illegible] New York [illegible] Ohio [illegible] their Senators we suppose [illegible] sophisticated as to have some little regard for that Constitutional provision, section III Art I which says

"The Senate of the United States shall be com[illegible] [illegible] State [illegible] the Legislature [illegible]

[illegible] however [illegible] check [illegible] Senate and all [illegible] measures were thrust [illegible] revolutionary [illegible] Legislature [illegible] legitimate [illegible] And we [illegible] to urge [illegible] to say that amid this chaos [illegible] we have [illegible] guard the interests of the State against the [illegible] and expenditures [illegible] to be remembered Dem[illegible] power to have had [illegible] into the[illegible] record

The appropriations already made by the House [illegible] the fearful aggregate of $[illegible] [illegible] the House appropriated [illegible] in gold coin Again another bill had already passed the House which would have entailed $10 000 more per annum upon the tax payers of the State The proposed appropriation bill alone asks for $225 527 for the next two years which, however, would not be sufficient to cover the extraordinary expenses of the present Legislative Assembly, and the affairs of the State and as it became necessary to pass the general appropriation bill, the Union party made extraordinary exertions to have the same passed without delay On Friday, October 23d Hon J [illegible] Wa[illegible] Chairman of the Committee of Ways and Means, introduced the general appropriation bill this was the fortieth day of the session and the Union men were anxious to leave for their homes Why the general appropriation bill was [illegible] brought forward and passed within the time allowed by the Constitution is something which at present is involved in mystery The Constitution of Oregon, Sec 29, Art 4, says "The members of the Legislative Assembly shall receive for their services a sum not exceeding three dollars per day, from the commencement of the session, but such pay shall not exceed in the aggregate one hundred and twenty dollars per diem allowance for any one session" We were allowed three dollars per day and the fortieth day expired on Friday, the 23d October It was fully expected that we should be ready to return to our homes on Saturday the 24th October but being anxious to assist in passing the appropriation bill we concluded to hold on during Saturday and endeavor to pass the most important bill of the session As soon as the Legislature had convened on Saturday, a Democrat offered one of the most insulting resolutions that could be conceived the substance of which was that our present Governor and Ex Governor Gibbs merited the *contempt* and *condemnation* of all honorable men The discussion upon this resolution consumed a large part of the forenoon, and finally passed by a strict Democratic vote. Of course the indignation among the Union members was unbounded That while we were generously serving the State without any pay or emoluments whatever, in order that the session might have a prosperous close, those honored standard bearers of our party should be stigmatized by these political desperadoes as meriting the contempt of all honorable men, was a gratuitous insult to our Governors, our party and to ourselves While we were willing to stay beyond our time to enable the Democracy to end their session with an appearance of decency, we thought at least the concession would secure us from insult, but no such generous feelings animated the breasts of our persecutors, the appropriation bill must be put off, to enable them to strike a cowardly blow at Woods and Gibbs many of our members were inclined to resign at once, but concession still prevailed, as we believed the appropriation bill would be passed that day but after wrangling over little trifling bills until after midnight, the House adjourned

Huston, Democratic Senator from Lane county, resigned his seat loudly condemning his own party for their reckless extravagance and dereliction of their duties Many of our members resolved to return home on Sunday, the 25th The Constitution of Oregon in the 18th Article of the Bill of Rights makes the following declaration — "Private property shall not be taken for public use *nor the particular services of any man be demanded without just compensation*" Then it was asked in the face of all these ignominies, what moral, legal or equitable right have these Democrats to hold us here? We were required to pay our own expenses and serve the State we know not how long, and for what? Simply to enable the Democracy to do what their own criminal neglect and folly had left undone but again patience triumphed and we resolved to go into the House on Monday morning October 26th and demand the passage of the general appropriation bill On entering the hall, we found that Grant of Polk and White of Jackson, Democrats had left for home, but we determined to clear our skirts in case the Democracy refused to pass the bill Mr Davenport of Marion, Union, moved to take up the appropriation bill It was put to a vote and *every* [illegible] *member of the House voted to take up the bill, but it was voted down by the Democracy*

Again Mr Davenport moved to take up the appropriation bill, and the motion was not entertained

Mr Gazley (Rep) then moved to take up the appropriation bill The motion was ruled out of order because the bill was referred to a Committee of the Whole

Mr Gazley then moved that the House now go into Committee of the Whole on House Bill No 92—the appropriation bill The motion was not entertained

Mr Gazley rose to a point of order, that the motion to take up House Bill No 92 was pending The motion was still not entertained

Mr Minto (Rep) then moved to take up the appropriation bill which was ruled out of order

Mr Carrett (Rep) also moved to take up the bill but the motion was again ruled out of order

These efforts were made on Monday, 26th October and were generally voted down or declared out of order

We further found that there were still twenty bills [illegible] which at the average rate would take two weeks to pass And here we ask if any precedent can be shown in the history of this State where members either voluntarily or involuntarily have been kept forty three days in session while getting pay for but forty? Can its parallel be found? Can a precedent be shown? If members can be kept three days can they not be kept three weeks or three months? We challenge an answer It may be urged that the houses had passed a joint resolution to adjourn on Monday but no impartial observer believed that they intended to do so Chapman who appears to be their leader made a motion to rescind the resolution and we believe the House was only prevented from so doing by the suggestion that at the time the resolution was in the Senate but the Senate [illegible] the resolution and instead of adjourning on that day the Democracy holds on with [illegible] grasp Even the shadow of office appears to be held as a charm prized in proportion to the difficulties they have had in its successful attainment

Added to this we have proof satisfactory to ourselves that the leading [illegible] is a proposed joint convention of the Senate and House would declare the election of Governor Woods [illegible] and put a usurper in his place

With these facts then staring us in the face our duty to our constituents and our own honor demanded our resignation We dared to take the responsibility and now we [illegible] maintain it

BEET SUGAR —James Duncan who consumes 300 tons of French beet-sugar a week at his refinery in London has found that the beet is as rich in sugar when grown in many places in England He offers to erect works in any of the Eastern counties where farmers will provide 6 000 tons of sugar beets the first year at the price four dollars and a half a ton Attempts to make beet sugar in Ireland were made some years ago and abandoned New attempts are now to be made. The beet does well there and is rich They rest the hopes of success now on the great improvements since made in the manufacture. Improved hydraulic presses in [illegible] the yield carbonic acid facilitates clearing the [illegible], and steam, passing from pan to pan, cheapens evaporations Besides, the pulp, as now dried and packed by the hydraulic press, may be kept any length of time for cattle feed instead of going to waste as formerly. For some providential purpose it is evident that beet sugar is designed to supply the sugar which has heretofore been in [illegible] use, the product of the cane.—*Alta*

Address of the Resigning Members

The Copperheads are everywhere howling in concert because the Republican members of the House resigned and foiled the revolutionary projects of the Democratic majority. The resignation of the members is denounced without stint as an act of "secession, revolution," etc., as if it were not a perfectly lawful proceeding for any person holding an office to tender his resignation at any time. If Governor Woods should resign we imagine the Democrats would not be specially indignant, yet it is quite as lawful for a member of the Legislature to resign as it is for a Governor. A Democratic Senator, (Huston, of Lane county,) resigned and left the Capital the other day, and nobody questioned his right to do it. Resignations become unlawful in Democratic estimation only when the caucus programme is defeated thereby. Such a state of things makes all the difference in the world.

The legitimate business of the session being over, (with the exception of the appropriation bill, which the Democrats refused for three successive days to act upon,) the Republican members did quite right in refusing to be held at the Capital from day to day, without pay, for the sole purpose of enabling the Democrats to carry out the programme which had been agreed upon in caucus, and which was designed to enure especially to the benefit of the Democratic party. Who except an unreasonable partisan of the ultra Copperhead stripe would insist that the Republicans ought to have remained for the purpose of allowing the unscrupulous Democratic majority to use them as tools to carry out their partisan designs? The Republican members did nothing to hinder the business of the session, on the contrary, they labored with an earnest and a steady purpose to push the legitimate business through. The address of the resigning members which we publish to-day is a full vindication of their course, and we bespeak for it the candid consideration of the people of Oregon.

The Law of Recompense

The outrages perpetrated by the Democratic majority of the Legislature at the late session are attended by their compensations. How far the reactionary spirit and violent conduct which have been manifested in these proceedings have contributed to recent Republican successes in other States, and are now contributing to the greater triumph which the Republicans are soon to achieve, can never be precisely known, but we are greatly mistaken if the Oregon Democrats, in the excess of their reactionary zeal, have not aided the Republicans immensely throughout the Union. By the course which the retrogradists in our Legislature have pursued the attention of the nation has been drawn to Oregon, and the measures which this body has brought forward have done much to reveal the spirit and purposes of the Democratic party. Here, as in all other places where this party has had opportunity, it has manifested a spirit of pronounced and malignant hostility to the results of the war for the Union and the principles on which the war was conducted; it has attempted to reverse the achievements of the great struggle by nullifying that portion of the Federal Constitution which has been enacted by the will of the nation for the purpose of giving security and permanence to the fruits of the national victory; it has shown that if it obtains a sufficient lease of power it will not stop in its retrograde course short of a complete reversal of all that has been gained by the labors and sacrifices of the last eight years. These attempts in Oregon, taken in connection with declared revolutionary purposes of the Democratic party throughout the country, have added no little to the general alarm, and have done much to strengthen the resolution of the people not to trust this party with power. It has no doubt been a source of great gratification to the Oregon Democrats to fulminate as they have been doing, but we cannot forego the pleasure on our part of reminding them that they are witnessing some of the consequences of their gushing devotion to the Lost Cause in the signal Republican victories which are being achieved throughout the country. The Democrats are in a fair way to discover that it does not pay to let rebellion run riot in their party.

An Excellent Democrat

Robert Ould, the rebel commissioner of exchange, has published a letter in the *National Intelligencer*, in which he says:

"The *Chronicle* of the 25th September, gives the following letter of mine, without date, addressed to General Winder:

CITY POINT.

SIR:—A flag of truce boat has arrived with 550 political prisoners, General Barrow and several other prominent men amongst them.

I wish you to send me at 4 o'clock Wednesday morning all the military prisoners (except officers) and all the political prisoners you have. If any of the political prisoners have on hand proof enough to convict them of being spies, or of having committed offenses which should subject them to punishment, so state opposite their names. Also state whether you think, under the circumstances, they should be released.

The arrangement I have made works largely in our favor. We get rid of a set of miserable wretches, and receive some of the best material I ever saw.

RO. OULD, Agent of Exchange.
Brigadier General Winder.

The letter is genuine. * * * And I here reiterate what I then wrote—they were a set of 'miserable wretches.' * * * As to the imputations of falsehood in which the *Chronicle* indulges, I treat them with the scorn which is their due. I am content that the people who know me shall judge between us.

Respectfully, your obt serv't,
RO. OULD.

This Ould is the man the Democracy have employed to write down General Grant. He seems to be just the man for the business. His phrase "miserable wretches," as applied to starving Union soldiers, is very grateful to the Copperhead ear.

The vote of Philadelphia in the late election was 112,122. The largest vote ever thrown in New York City—that of 1866—was 114,169. The vote of Philadelphia was 20,000 larger in the late election than ever before. This just beats the statement made by Forney that the Democrats threw 10,000 illegal votes in that city.

It turns out that McClellan doesn't take the stump for Seymour and Blair. He arrives home but about two months before the election, and he was never known to do anything in that time. Had he made the attempt to [illegible] the campaign he would not have got further than the preliminary surveys.

More Democratic Rascality.

NEW YORK, Oct. 29.—Several persons have been arrested charged with selling false naturalization papers.

The Prospect in New York

CHICAGO, Oct. 29.—The *Republican's* New York special says the Republican State Committee estimates the Republican majorities in the State at 80,000, to the Hudson river. The Democratic majorities are estimated at [illegible], giving the Republicans a majority in the State of 5,000.

Democrats Promise Peace.

NEW ORLEANS, Oct. 29.—The Central Committee of all Democratic clubs have issued an address denying the allegations that they intend to carry the election by fraud or violence. They adopted resolutions guaranteeing to every voter in the parish, without reference to race, color or politics, full protection in the exercise of the suffrage, guaranteeing them against all intimidation or fraud, and calling upon every voter in the city to exercise the right of suffrage. They invite all persons of whatever political complexion to join in efforts to secure peace and harmony at the polls to the end that the most timid members of any party may feel assured of safety and protection against danger or undue influence in the exercise of suffrage.

General Rousseau has received further accessions of troops and will be able to prevent all but individual acts of violence.

The Way they Fulfill their Promises.

CHICAGO, Oct. 30.—A New Orleans special to the *Republican* says armed bands of Democrats patrolled the streets and shot down negroes. The *Republican* says private residences were sacked. The newspapers this morning demand the immediate resignation of the State officers, the departure of all carpet-baggers and that all towns which they [illegible] not suit them be trampled on. [illegible] General Steedman is reorganizing the police by superseding Republicans. General Rousseau favors the [illegible] [illegible].

AUGUSTA, Oct. 29.—In the Superior Court of this State, Col. Ackerman, one of the Republican electors, stated to the court that he desired a postponement of the cases in which he was interested, on account of his being unable to stay at his hotel, because large numbers of citizens had protested to the landlord against having as a guest a person so obnoxious. Toombs objected to the postponement but Judge Andrews said he deeply regretted the state of things; it was mortifying to learn that such a feeling existed in that circuit, a non-resident attorney must stay somewhere in the place. He would not require of Mr. Ackerman impossibilities, therefore he granted the application.

LYNN, Mass., Oct. 29.—Wormald and O. Baldwin commenced their prize fight in the vicinity of this city to-day, and fought one round, when the Lynn police made a descent and captured both the pugilists and dispersed the crowd. Both principals are held in $50,000 bail for appearance on the day of trial. They had not secured bail.

Central America.

NEW YORK, Oct. 29.—The *Alaska* brings Panama dates of the 20th. General Warren, Minister to Guatemala, came a passenger. Two small vessels laden with arms evaded the vigilance of the Panama authorities and escaped to Los Santos to aid the revolution there. Several Costa Ricans and Nicaraguans had been impressed as soldiers to join the expedition to put down the rebellion in Chiriqui, which expedition sailed under President Correoso as commander.

Valparaiso dates are to October 3d.

Great damage was caused throughout Chile by heavy rains. Forty persons had been drowned in the smaller rivers. Crops in the southern provinces were seriously damaged, causing much suffering.

Cuban Affairs

HAVANA, Oct. 29.—The steamer brings a copy of a proclamation issued by the Revolutionary Committee. It has the most intense revolutionary spirit, and concludes with a strong appeal to the Cubans to pronounce for a federal republic. It demands popular suffrage, with coercion and dissolution of the permanent army, establishment of a national militia, justice for all classes, liberty of the press, liberty of discussion, freedom of conscience, freedom of industry, freedom to emigrate, abolition of monopoly and of slavery, viva viva Spanish liberty, viva viva liberty of Cuba, viva Federal Republic.

SAN FRANCISCO, Oct. 30.—The entire police were called together at the station house last evening for the purpose of listening to advice from the Police Commissioners Mayor McCoppin, Judge Provines, of the Police Court and Chief Crowley.

The mate of the *Alaska*, that was supposed to have been slaughtered and foully dealt with a short time since was found dead between decks on the vessel at sea, having committed suicide by taking poison.

A man named Price was arrested to-day for an alleged assault with a deadly weapon upon Mr. Booker, the British Consul at this place. It is stated that Price went to the office of the Consul, some angry words passed between them, and that in the course of the quarrel, when Price was ordered to leave the office, he drew a bowie-knife on Mr. Booker.

AUSTIN, Oct. 30.—Rufus B. Anderson was executed this afternoon for the murder of N. [illegible] last May. The execution was witnessed by a large crowd of people, in which were a number of women, gathered in and about the rear of the yard in which the gallows stood. The Lander Guard was present at an early hour, and order was preserved until the end. Anderson, accompanied by the Rev. At the conclusion of his short address Sheriff [illegible] read his death warrant. He again joined in prayer with Father Monteverde, during which his manner was firm and composed. Having finished he stepped forward to the railing, addressed the multitude, requested deputy sheriff Tabor should put the noose around his neck, and then shook hands with those on the platform. His hands and feet were bound, the cap was slipped over his head and drawn over his face, and at the signal the trap fell and the wretched young man lay stretched upon the ground, the knot having given way. There was a cry and a rush forward by the crowd, but it was kept back by the guard. Anderson was carried partially from the noose once more adjusted and his neck. Again the trap fell and the knot gave way, and Anderson was prostrated insensible. He was carried up the steps of the platform and seated in the [illegible], while his face wore the pallor of the grave from which he had been twice snatched. LETTERS FROM THE CAPITAL

SALEM, Wednesday, Oct. 28th, 1868.

THE [illegible] OF THE "RUMP"—WHINING FOR PAY

The dissenting Democrats of the rump House have been whining for two or three days over the fact that the appropriation for per diem and mileage of members of the Legislature was exhausted before they had all presented their warrants and drawn their pay. Some of them have been mean enough to insinuate if not to assert, that the Treasurer had paid off the Republicans in preference to Democrats. This, of course is wholly false. The warrants have been all along paid off in the exact order in which they were presented so long as the appropriation lasted. When the money became exhausted, of course no further payments could be made to anybody. If Republicans had got their pay and if Democrats had not, it was simply because the former presented their warrants and the latter did not, for, the warrants were mostly, if not all, drawn on the same day. But it is not true that *all* the Republicans have received their pay. The fact is that there are some of both parties who have been paid and some of both who have not. This morning a resolution was adopted by the "Twenty seven," for a committee of two to call upon the Treasurer and ascertain if the members who resigned have received their per diem and if so, to ascertain the date of their warrants. The committee called and ascertained that all of them except Mr. Flook had been paid and that their warrants were dated October 22d. Nearly all the other warrants were drawn the same day as the Democrats have taken nothing by this motion. The talk that I have referred to and this action of the House for the purpose of creating a false impression about the fair dealing of the Treasurer and Secretary, illustrates the petty and ineffable meanness of the Democratic instinct.

MESSAGE FROM THE GOVERNOR

A day or two ago the House sent a communication to the Governor informing him that by resignations of several members, the House was without a quorum, and intimating their readiness to hear from the Governor, etc. To this the Governor replied as follows:

EXECUTIVE DEPARTMENT,
SALEM, OREGON, Oct. 28, A. D. 1868.

Gentlemen of the House of Representatives:

Your resolution informing me that the House of Representatives is now without a quorum and therefore unable to do business, has been considered. By inspection of the roll of the House I find that there are 27 members now present who answered to their names to-day, to-wit: Alexander of Linn, Bellinger, Beare, Bryant, Benson, Butler, Chapman, Cox, Crooks, Davis, Gray, Gaffrey, Johnson, Kirk, Loudon, Neal, Powell, Rinehart, Ryan, Smith, Stites, Scoggins, Tandy, Townsend, Winston, Waymire, Mr. Speaker. Absent: Grant, Jackson, White. Members who have been present all the time, but have not answered to their names at the call of the House: Garrett, Hoxter, Minto. Making in all six members who are not now participating in the proceedings of the House, but who are subject to the authority of the same.

Under the Constitution of the State two thirds of either house is necessary to constitute a quorum. The whole number elected as members of the House of Representatives at the general election in June, A. D. 1868, is forty-seven, and thirty two is two thirds of that number and constitutes a quorum for doing business. Twenty seven are present and six are absent, making in all thirty three actual *bona fide* members subject to the authority of the House of Representatives, which makes one more than is necessary to constitute a quorum. I join with you in the opinion that important legislation is needed before adjournment is had, and most important of all is the general appropriation bill, and election of officers elective by the Legislative Assembly, and I earnestly hope that you will immediately take such steps as will insure a quorum and thus facilitate business to its completion and secure an early adjournment of the Legislature, so as to stop the expenses of the same.

GEO. L. WOODS,
Governor of Oregon.

The message was referred to a committee of five—Chapman, Neal, Winston, Waymire and Alexander. The House then took a recess.

At the assembling of the "Twenty Seven" after dinner, Mr. Winston adverted to the fact that the Governor's message mentioned Messrs. Minto, Garrett and Hoxter, as being still members of the House, and moved that the Sergeant at Arms be instructed to bring them within the bar of the House. The motion was not seconded.

HE! HOAR! HANT!

Chapman's soul was set on fire by Winston's motion. It was one straw too much on the back which for more than forty days and forty nights has borne the destinies of the commonwealth. "The gentleman from Multnomah" rose with thunder on his brow and lightning in his eye, majesty in his mien and anger breathing from brow, eye, nose and mien combined. The Colonel was a personified conflagration. As I said before, the Colonel rose. The Colonel rose, evidently, to say something. At all events, he did say something. I can't describe his speech better than to say it was a regular rip roarer. It was rant and froth and rage. No language seemed to be expressive enough to serve the Colonel to vent his anger at the Governor. Some of his utterances were of the most violent and incendiary character. He said "the tree is now growing on which the Governor ought to be hung," that the message was such an insult to the House as would justify the removal of the Governor if it were in the power of the Legislature; that he would remain here in his seat till his feet should rot off and this capital should be no longer the city of peace;" he regretted that the constitution interposed an obstacle to hurling the Governor out of his office. He proceeded at great length, using such extravagantly inflammatory language as to be the subject of very general comment for the remainder of the day. It is due, however, to say that the very extravagance of his language was such as to make it more ludicrous than otherwise.

ABOUT A QUORUM

The occasion for all this fuss and feathers was that the Governor had suggested in his message that there were still thirty three constitutional members, and that it was in the power of the House to secure a quorum. This is a fact. There are twenty seven members here. Drumheller, Jackson and White are absent. Minto, Garrett and Hoxter presented resignations along with the others, but the Governor did not accept them and they were subsequently withdrawn. These six added to the twenty seven make one more than the number required for a quorum. If the House fails to get a quorum it is its own fault.

The Democrats who are really rejoiced at the defeat of the appropriation bill, and who never intended to pass it, had no [illegible] now to take exception [illegible] that as they had expunged (unlawfully [illegible]) [illegible] with a quorum the names of Minto, Garrett and Hoxter from the roll these gentlemen were [illegible] [illegible] members. This they held. When they thought there was no prospect of getting a quorum they howled like so many bereft [illegible] [illegible], and swore great oaths that they would stay here till the expiration of their terms but that they would have a quorum. When it was shown them that they could have a quorum by [illegible] [illegible], then they entrenched themselves [illegible] their own wrong in expunging [illegible] [illegible] trial of the rights of member [illegible] [illegible] [illegible] larger oaths that they would have [illegible] [illegible] [illegible] Mr. Garrett went in [illegible] [illegible] [illegible] his name be called [illegible] having [illegible] [illegible] resignation. On motion of Chapman he was put outside the bar by the Sergeant.

[illegible] [illegible] [illegible] from this how anxious the Democratic majority were to get a quorum. [illegible] [illegible] [illegible] [illegible] [illegible]. A quorum is just what they [illegible] want.

Chapman offered a resolution which was adopted declaring that there are twenty seven members present, and that there are sixteen vacancies—and naming the counties in which vacancies exist. By his own request it was not adopted but laid on the table.

LOOKING TOWARD IMPEACHMENT

In the evening Chapman read a resolution which he had referred to during the afternoon, as "a paper I had prepared and which I now have in my pocket." It charged the Governor with having entered into conspiracies against the State and pointed in its spirit and language, unmistakably toward an intended attempt at impeachment. This is one of the measures which would have been presented and adopted in each house, had not the resignations of the fifteen Republicans broken the Democratic caucus slate.

THE JOURNALS

The conspirators do not intend to have the journals published. A committee of four members was appointed to take charge of and correct them. On motion of Mr. Kirk the committee was directed to provide for the safe keeping of the journals till they could be printed. This means that the committee shall keep the journals till the March session, instead of depositing them with the Secretary, as the law directs. The law, however, cuts no figure, with the conspirators, when it happens that it does not agree with the Democratic programme.

IN SENATE—THE INSANE ASYLUM BILL

In response to the request of the Senate, the Governor sent in the bill to provide for the erection of the Insane Asylum, with a message. The Governor says that the bill came to him duly signed by the presiding officers; that there were no evidences but that it had been properly enacted into a law, and that he had therefore given it his official approval; that the bill was therefore a law, but that he sent it to the Senate, as he would any other law, for information. Upon the reading of the message and the bill, Trevitt said it seemed that the bill was different from the engrossed copy, that there was evidently a fraud somewhere, and he moved to refer it to a select committee, which prevailed. The President did manifest the usual Democratic sagacity in the appointment of the committee for he named Trevitt, Stout and Cornelius, the latter, the author of the bill and therefore likely to know whether it had been altered. When the committee reported Trevitt said the engrossed copy was missing and no comparison could be made except with the original, but he was sure it was unlike the engrossed copy. Mr. Cornelius said that he framed the bill and watched it through its several stages; that the body of the bill was correct except in the omission of the word "proper"—an immaterial omission and evidently a mistake of the engrossing clerk; that the title had been amended after the passage of the bill, but as the title was of no consequence, he had paid less attention to that and did not remember positively what it was. The bill was recommitted to the committee on engrossed bills, of which Cochran is chairman. That gentleman pocketed the bill and will retain it until the March session.

THE SECOND VETO

In the afternoon the Senate received a message from the Governor vetoing the bill to abolish the office of Adjutant General. It was made the special order for 7 P. M., when it was taken up and the Klan poured out seven more vials of wrath on the Governor's head. It is evident, I think, by this time that the Governor is not immensely popular with the Ku Kluxes. He may thank good fortune that he is not. The vote on the passage of the bill, notwithstanding the veto, resulted 11 yeas, 6 nays, Hendershott not voting, having paired off with Adams.

THE LAST HOURS OF THE "RUMP"

I find that I shall make this letter too long, if I attempt to give the further proceedings in detail, so let it suffice to say that about 9 o'clock P. M. a resolution was adopted in Senate to take a recess until the 4th of next March, unless sooner convened by the Governor, and the House within a few minutes concurred in it. The customary resolutions complimentary and of thanks to various and sundry people were adopted, the presiding officers delivered the customary and trite speeches, and the "Rumps" took a recess. Let us return thanks and "Let us have peace."

WEEKLY STATEMENT.—Oregon produce and manufactures have been received by the steamers from the [illegible] Willamette during the week ending yesterday, as follows: 5,468 sacks flour, 360 bags wheat, 5,744 [illegible] [illegible] [illegible] sacks feed, 70 [illegible], 344 [illegible] [illegible] apples, 20 boxes [illegible], 36 [illegible] [illegible] 11 boxes of eggs, 29 bales [illegible] [illegible] [illegible] 84 bbls meat, 13 [illegible] [illegible] 50 cases oil, 17 bales wool, 60 [illegible] bacon, 14 cases hams, [illegible] lard, 1 bbl beeswax, 1 bale [illegible] [illegible] bales flax, [illegible] [illegible] unspecified [illegible] and [illegible] bales hay [illegible] feet of lumber.

The four steamers now plying between this place [illegible] Oregon City are not more than [illegible] for the transportation of the freight that is accumulating at the [illegible] and this will increase largely during the next few weeks as the recent rains will doubtless raise the river sufficiently to allow the boats above free [illegible]. There is a strong probability that our receipts and exports for [illegible] November will greatly exceed those of [illegible] month closing, owing to the low water, smoke and [illegible] which have [illegible] for weeks past.

VANCOUVER ITEMS.—From the *Register* we take the [illegible] joined items concerning matters at Vancouver: The [illegible] [illegible] are the officers of the Agricultural and M[illegible] Society of Clark county, W. T.: President, [illegible] Vice Presidents, M. R. Hathaway, [illegible] Secretary, Julius Suisted; Treasurer, [illegible] J. M. Buchanan [illegible] residing near [illegible] Prairie at a place called Burnt Woods, was [illegible] out on Oct. 20th. He lost all his [illegible] grain, tons of hay, twenty five th[illegible] fence rails, part of [illegible] furniture and some hogs and poultry.—The G[illegible] was raised upon the vacant lot adjoining Crawford's [illegible] on Main street on Tuesday evening, Oct. 27th. A [illegible] Cook Esq. made an appropriate [illegible] and everything passed off pleasantly.—Last Saturday, after our [illegible] went to press, Harry H. Wood, of this city, met with a serious accident. He was on horseback near the Quartermaster's blacksmith shop when the horse reared [illegible] [illegible] and in falling threw his rider [illegible] him. The [illegible] [illegible] of the saddle broke Wood's arm, while the back [illegible] of the horse bruised his leg.—Mr. C. H. Hubbs, [illegible] operator, has changed his [illegible] to Main street, opposite the head of 5th street.—An [illegible] was seen to [illegible] on the top of the Grant pole this [illegible] victory.—Mrs. Brown, wife of Hon. [illegible] on the [illegible] Friday [illegible] Oct. 20th, for [illegible] [illegible] at Milwaukie.—Col. [illegible] has been [illegible] San Francisco and will leave on the next [illegible].

AT THE DALLES.—From the *Mountaineer* of [illegible] we clip the following items of intelligence from [illegible] Oregon: There is a large amount of freight in [illegible] for the interior, but there appears to be a scarcity of teams. The rates of freight to Canyon City is 4 cents.—Camp Henry [illegible].—The school boys of the Dalles have [illegible] a Grant Club. Some two [illegible] ago they raised a pole and hoisted a very beautiful flag to its [illegible].—The news of the Republican [illegible] in the [illegible] reached Canyon City on the 22d inst. It was [illegible] over from Baker City by Express [illegible] who rode all night and reached there at daylight in the [illegible]. On the reception of the news the wildest [illegible] prevailed. Anvils were fired, and the men, women and children "chased dull care away" by patriotic shouting.—At Walla Walla a stable belonging to Judge Baldwin was destroyed by fire, loss, $600. It was [illegible] to have been the work of an incendiary. The new [illegible] Church in that city was [illegible] on the 25th. It is said to be the finest building east of the [illegible]. The weather for the past week has been [illegible] [illegible] with just a sufficient quantity of rain to nicely lay the dust and clear away the [illegible]. All is lovely now.

CLEARED AWAY.—Y[illegible] the snow-crowned [illegible] of Mount Hood again showed itself to the inhabitants of this valley, beautifully bright. Why [illegible] but the [illegible] to the wind and rain set forth in the following effusion, which is a portion of some [illegible] sent us, had something to do with bringing [illegible] this about [illegible]:

Come down from the [illegible], O gales!
With wings swift [illegible]
And drive to the canyons and caves
This smoke that envelops the world.

Ye gentle Web-foot rains [illegible]
Till lone Hood from the [illegible]
We want no [illegible] here,
While smokes and fogs and [illegible]

STATISTICS.—At the last State Fair a [illegible] was appointed by the Oregon Agricultural Society to collect information and statistics regarding the [illegible] and mineral resources, products of [illegible], vacant land, etc., etc., in each county of this State. This information is to be put into [illegible] form and [illegible] by the Oregon State Agricultural Society and [illegible] through all parts of the Atlantic [illegible]. We [illegible] from Mr. Dufur who is Chairman of the [illegible] that all the counties have responded to the [illegible] of the [illegible] except Baker, Grant and Tamhill. Returns from these counties will, in all probability, be received at an early day. When this is done the [illegible] will be printed. This is an excellent way to [illegible] the resources of our State, and we hope that the [illegible] of each county will furnish the [illegible] with all [illegible] his encouragement.

U. S. DISTRICT COURT.—The November term of the United States District Court, Hon. M. P. Deady, Judge, will begin next Monday, (Nov. 2d) at ten o'clock A. M. The following named [illegible] [illegible] the Grand Jury for the term: [illegible] Hathway, E. F. Dixon, J. Th[illegible] [illegible] M. Hatheny, D. W. Jo[illegible], [illegible] N. H. Lane, M. Hosford, W. [illegible] [illegible] Myers, H. Smith, B. F. Whitson, B. D. Grant, C. S. Savage, [illegible] John Stephenson, W. [illegible] and John B[illegible]. The following persons have been [illegible] as Petit Jurors: S. Williams, W. M. Gilbert, [illegible] Lacey, A. C. Brown, G. A. [illegible], J. Wilson, [illegible] J. Smith, B. S. Allen, W. [illegible] [illegible] Fisher, J. D. Fenton, J. M. C[illegible], [illegible] J. W. Phillips, T. B. Rickey, [illegible] [illegible] ford, J. Rodgers and J. N. Allen.

ENTERTAINMENT.—We believe we but express the sentiments of all who have witnessed it when we say that the play of the "Ticket-of-Leave Man," as [illegible] by Mr. Bates' excellent troupe at the New Theatre, is fully as good, if not *the* best theatrical entertainment ever given before a Portland [illegible]. The part [illegible] by Mr. B. himself in this play is one which [illegible] as an actor, and he [illegible] it [illegible]. Mrs. Bates as May Edwards is [illegible] [illegible]. In fact, the entire troupe show great [illegible] in this play, which in our judgment is the best one by far that they have yet produced in Portland. This [illegible] a matinee will be given, when the beautiful play of "Caste" will be presented, and again this evening the "Ticket-of-Leave Man" will comprise the entertainment. It has heretofore met with the highest approbation of the large and most respectable [illegible] ever [illegible] a dramatic entertainment in the city.

THE DEL NORTE.—The purser of the steamer *Active* informs us that his vessel visited the wreck of the *Del Norte* and brought away all the fixtures which could be obtained, from the ill-fated vessel. We saw on the *Active* two large life boats, some [illegible], spars and other ships furniture which had been thus saved. The *Del Norte*, an account of the wreck of which was given some days ago, proved a total loss.

GRAMMAR.—We would quote [illegible] on you, but at present are not willing to turn further. It does not require much perception to perceive that the word "he" and his as used refers to the gentleman injured, and not the horse.—*Commercial.*

The italicising is ours, the grammar is the C[illegible].

RETURNED.—Our city is becoming more lively for two or three days past. A number of persons are here on business in the United States District Court, a term of which begins on Monday. Also several members of the Legislature are in town on their way home, as well as a large number of hangers on, office seekers and "lobby" members generally.

NOTICE.—Meussdorffer Bros give notice that they will, after the 1st day of November, close their store every evening, except Saturday evening, at 8 P. M.; Saturday at 10 P. M. No. 72 Front street until the 1st of December, thereafter corner Front and Morrison streets, in Kohn's new brick building.

WILL SAIL.—The fine steamer *Active* will sail for Victoria on next Monday at 4 P. M. She will connect with the *Eliza Anderson* for all ports on Puget Sound. Travelers will find excellent accommodations, and have every attention paid to their wants on the *Active*.

A HOME.—Let every man procure a home. We call attention to the advertisement of Messrs. Stitzel & Upton, real estate agents. They offer for sale 100 city lots on the homestead plans ranging in price from $50 to $150—in monthly payments of $10 each.

SHANAHAN & CO. have the most attractive place in the city. Their assortment of pictures, musical instruments, music, etc., is very large and embraces every article that can be desired. Their picture gallery contains the most beautiful collection by far ever brought to this city.

ATTENTION is called to the advertisement of R. D. White & Co., who are in receipt of a large assortment of everything in the line of boots and shoes. Purchasers will find their store a good place to buy. Call and see.

DANCE.—Prof. McCann's regular Saturday night dance will take place this evening. An excellent [illegible] will be given to lovers of the pleasing art to enjoy themselves.

ACCIDENT.—A small son of Mr. O'Neal, while engaged in scuffling with a playmate on Wednesday, fell and broke his arm at the wrist.

THANKSGIVING BALL.—The Emmett G[illegible] [illegible] giving a [illegible] Ball on the evening of Thanksgiving Day, Nov. [illegible].

THANKS.—The purser of the steamship *Active* has the thanks of this office for files of late Victoria papers.

NEW EYES AND PERFECT SIGHT.—Mr. G. Frankel, the practical and [illegible] Optician of San Francisco, will be in the Dalles on Saturday next, will go then to Umatilla, where he will stay two days and will go then to Walla Walla [illegible] [illegible] remain five days, for the purpose of [illegible] [illegible] that require assistance to their sight [illegible] [illegible] Pebble Spectacles and [illegible] [illegible] perfect vision but [illegible] [illegible] has also a superior [illegible] [illegible] Marine glasses, Medical [illegible] and Optical Instruments of all [illegible].

N[illegible] [illegible] has opened a Night School [illegible] (up stairs) near the Catholic Church [illegible] Reading, Writing, Arithmetic and English Grammar [illegible] per month. For Bookkeeping, Geometry and Algebra, $5 per month. [illegible] opens at [illegible] P. M. and closes at 9:30 P. M.

WEEKLY STATEMENT.—Oregon produce and manufactures have been received by the steamers from the upper Willamette during the week ending yesterday as follows: 1,658 sacks flour, 230 bags wheat, 6,748 gunnies oats, 175 sacks barley, 151 sacks feed, 11 bran, 244 green middlings, 551 boxes apples, 201 sacks green corn, 11 boxes eggs, 29 bales paper, 7 bales woolen goods, 5 hlf bbls salmon, 34 hides, 1 meat, 1 cases bacon, 14 cases hams, 50 cases oil, 17 bales wool, 40 hides, 4 bales flax, 2 kegs lard, 1 bbl beeswax, 1 bale furs, 15 bales hay, 158 pkges unspecified merchandise, and 5,000 feet of lumber.

The four steamers now plying between this place and Oregon City are not more than sufficient for the transportation of the freight that is accumulating at the falls and this will increase largely during the next few weeks if the recent rains will doubtless raise the river sufficient to allow the boats above free passage. There is a strong probability that our receipts and exportations for the month of November will greatly exceed those of the month, owing to the low water, smoke and fogs which have prevailed for weeks past.

VANCOUVER ITEMS.—From the Register we take the annexed items concerning matters at Vancouver. The following are the officers of the Agricultural and Mechanic Society of Clark county, W. T.: President, Lewis Van Vleet; Vice Presidents, W. R. Hathaway, E. W. Brown; Secretary, Julius Sunstat; Treasurer, S. D. Maxon. Mr. F. L. Jones, residing near Cape Horn, a Point, at a place called Burnt Woods, was entirely burnt out on the 20th. He lost all his buildings, grain, 20 tons of hay, twenty five thousand fence rails, part of his stock, and some hogs and poultry. The Grant pole was raised upon the vacant lot adjoining Crawford's store on Main street on Tuesday evening, Oct. 27th. A. G. Cook, Esq., made an appropriate speech, and everything passed off pleasantly. Last Saturday, after our paper went to press, Harry H. Wood, of this city, met with a serious accident. He was on horseback near the Quartermaster's blacksmith shop when the horse reared and in falling threw his rider under him. The pommel of the saddle broke Wood's arm, while the back of the horse bruised his leg. Mr. C. H. Hubbs, telegraph operator, has changed his quarters to Main street, opposite the head of 5th street. An eagle was seen to perch on the top of the Grant pole this morning—an omen of victory. Mrs. Brown, wife of Hon. S. W. Brown, left on the steamer Trump, Oct. 20th, for medical treatment at Milwaukie. Col. Hodges has been ordered to San Francisco and will leave on the next steamer.

DALLES ITEMS.—From the Mountaineer of yesterday we take the following items of intelligence from Eastern Oregon: There is a large amount of freight in the Dalles for the interior, but there appears to be a scarcity of teams. The rates of freight to Canyon City is 4 cents per lb. The school boys of the Dalles have a Grant Club. Some two weeks ago they raised and hoisted a very beautiful flag to its mast head. News of the Republican victories in the East reached Canyon City on the 22d inst. It was brought from Baker City by Expressman Pierce, who rode all night and reached there at daylight in the morning. The reception of the news the wildest excitement prevailed; anvils were fired, and the men, women and children drove "dull care away" by patriotic shouting. At Walla Walla a stable belonging to Judge Baldwin was destroyed by fire, loss $500. It was supposed to have been the work of an incendiary. The new Congregational church in that city was dedicated on the 25th. It is the finest building east of the mountains. The weather for the past week has been perfectly delightful, just a sufficient quantity of rain to nicely lay the dust and clear away the smoke. All is lovely now.

SMOKE AWAY.—Yesterday the snow crowned summit of Mount Hood again showed itself to the inhabitants of this city, beautifully bright. Who knows but the influence of the wind and rain set forth in the following lines, which is a portion of some verses sent us had something to do with bringing about this clear weather:

Come down from the mountains, O gale!
With wings swift-moving unfurled,
And drive to the canyons and caves
This smoke that envelops the world

Let gentle Web-foot rains descend,
Till the Hood from the deluge stand
We want no ethereal mildness here,
smokes and fogs and glooms appear

At the last State Fair a committee was appointed by the Oregon Agricultural Society to collect statistics regarding the agricultural and products of various kinds, area of etc., etc., in each county of this State. This is to be put into statistical form and printed by the State Agricultural Society and circulated in the States of the Atlantic States. We learn from the Chairman of the Committee, that all the counties have responded to the inquiries of the committee except Grant and Yamhill. Returns from these will, in all probability, be received at an early date. When this is done the document will be printed. It will go a long way to scatter information relative to the resources of our State, and we hope that the citizens of each county will furnish the committee with all the information they can get.

CIRCUIT COURT.—The November term of the Circuit Court, Hon. M. P. Deady, Judge, will begin next Monday, (Nov. 2d) at ten o'clock A.M. The following named gentlemen compose the jury for the term: Jacob Connor, E. O. Nixon, J. Thornton, James Johnson, W. F. Ray, D. W. Jones, C. Clagett, J. N. Tillman, Howard, W. B. Earnest, Chas. LaFollett, J. B. F. Whitson, S. D. Grant, C. P. Savage, J. Stephenson, W. Merdorff and John Dolan. The following persons have been summoned as Petit Jurors: W. M. C. Chrisman, J. E. Pardin, M. J. Brown, G. A. Hiller, R. S. Tupper, J. Wiser, E. S. Allen, W. Barlow, J. M. Laughlin, J. W. ton, J. M. Cain, R. F. Murphy, J. B. Morris, T. B. Hickey, T. N. Togre, L. D. Swick, F. A. and J. N. Allen.

—We believe we but express the sentiment of all who have witnessed it when we say that the "Ticket-of-Leave Man," as rendered by Mr. and troupe at the New Theatre, is fully as the best theatrical entertainment ever given. The part undertaken by himself in this play is one which requires much talent, and he sustains it admirably. Mrs. Edwards is deserving of especial notice. In fact the entire troupe show great proficiency in this, and in our judgment is the best one by far that has yet produced in Portland. This afternoon a matinee will be given, when the beautiful play of Caste will be presented, and again this evening the Ticket-of-Leave Man will comprise the entertainment. It has met with the highest appreciation of the large and respectable audiences ever assembled to witness public entertainment in the city.

WRECK.—The purser of the steamer Active informs us that his vessel visited the wreck of the Del Norte and brought away all the fixtures which could be saved from the ill fated vessel. We saw on the wharf two large life boats, some cordage, spars and furniture, which had been thus saved. The account of the wreck of which was given, proved a total loss.

—We would quote grammar on you, but are not willing to turn teacher. It does not require much perception to perceive that the word "he" as used, refers to the gentleman injured, and —Commercial.

is ours, the grammar is the Commercial's.

Our city is becoming more lively for two weeks past. A number of persons are here on business in the United States District Court, a term of which opens on Monday. Also several members of the Legislature in town on their way home, as well as a number of hangers on, office seekers and lobby members generally.

Meussdorffer Bros give notice that they will on the 1st day of November close their store every evening, except Saturday evening, at 8 P. M. Saturday at No. 72 Front street until the 1st of December, then corner Front and Morrison streets in brick building.

—The fine steamer Active will sail for Victoria Monday at 4 P. M. She will connect with the Anderson for all ports on Puget Sound. Travelers will find excellent accommodations and have every attention paid to their wants on the Active.

—Let every man procure a home. We call attention to the advertisement of Messrs. Stitzel & Upton, real estate agents. They offer for sale 100 city lots and plans ranging in price from $50 to $150, monthly payments of $10 each.

& Co have the most attractive place in the city. Their assortment of pictures, musical instruments, toys, etc., etc., is very large and embraces every article in their line that can be desired. Their picture gallery is the most beautiful collection by far ever brought to this city.

—Attention is called to the advertisement of R. D. & Co., who are in receipt of a large assortment of everything in the line of boots and shoes. Purchasers will find their store a good place to buy. Call and see.

Prof. McCann's regular Saturday night dance takes place this evening. An excellent chance will be given to lovers of the pleasing art to enjoy themselves.

—A small son of Mr. O'Neal, while engaged in play with a playmate on Wednesday, fell and broke his arm near the wrist.

THANKSGIVING BALL.—The Emmett Guards propose giving a ball at Oro Fino Hall on the evening of Thanksgiving Day, Nov. 26th prox.

THANKS.—The purser of the steamship Active has the thanks of this office for files of late Victoria papers.

THE EYE AND PERFECT SIGHT.—Mr. G. Frankel, the practical and scientific Optician of San Francisco, will be in the Dalles until Saturday next, will go then to Umatilla, where he will stay two days, and will go then to Walla Walla, where he will remain five days, for the purpose of supplying those that require assistance to their sight with his celebrated Russian Pebble Spectacles and Eyeglasses, which not only gives perfect vision but will preserve the sight. Mr. F. has also a superior selection of new styles of Opera, Field and Marine glasses, Medical and Microscopes and Optical Instruments, full descriptions.

NIGHT SCHOOL.—Mr. Fitzgerald has opened a Night School in the schoolhouse (up stairs) near the Catholic Church. Terms: For Reading, Writing, Arithmetic and English Grammar $2 50 per month. For Book-keeping, Geometry and Algebra $5 per month. School opens at 7 P. M. and closes at 9 30 P. M.

Hostetter's Stomach Bitters.

Man wants a Tonic—no nor man wants—
And every year and month brings forth a new one,
Which, after cramming the gazettes with cant,
The age discovers to be not the true one
Of such as these let their concoctors vaunt,
I'll sing the BITTERS that have credit due won—
The world's great Tonic, which no skill can better—
I mean the matchless BITTERS of HOSTETTER,

Doctors were living long before old Galen,
And since, exceeding learned, grave and sage,
But the stomachics they were bound to fail in,
Success came not until this later age
Now is the sick folks are made well in
And dread dyspepsia driven from the stage
Agues, remittents, headaches, real head splitters—
Vanish like smoke before HOSTETTER'S BITTERS

Herbs, barks and roots compose the rare infusion,
No mineral poison mars their juices pure,
And Rye's mild essence holds them in solution
The taste is pleasant, the effect is sure
Never have the Bitters yet proved a delusion,
Try them in time, and health and strength secure
The dragon slayer figures on the label
And they, like him, to save the weak are able

Danger of Deception.—Don't be deceived that apparently trifling and persistent hacking cough, PORTENDS SOMETHING SERIOUS, consumption stares you in the face. Be wise then and CHECK IT AT ONCE by a free use of NEWELL'S PULMONARY SYRUP.

Redington & Co's., Florida Water.—As a Perfume it is unrivalled, as a Cosmetic it will be found of unequalled value for removing Tan, Freckles and Harshness from the skin and beautifying the complexion and as a Dentifrice imparting fragrance to the teeth and healthfulness to the gums.

Truth stranger than Fiction!—It is a fact that FEVER and AGUE can be permanently cured by the use of DR. E. COOPER'S UNIVERSAL MAGNETIC BALM. If you have been disappointed in other medicines and are doubtful of all, obtain the Balm and you will doubt no longer.

To all Persons having Demands on the United States or on any State
BOUNTY LAND GRANTED TO ALL PERSONS serving in any War in which the United States has been engaged to 3d March 1855. Teamsters are entitled who served in the Mexican War.
PRIZE MONEY paid all persons attached to vessels or squadrons which captured prizes during the late War. The undersigned has a PRIZE LIST.
Several SPOLIATION CLAIMS were referred last Session of Congress to the Committee on Claims in the Senate, with prospects of success. Claimants are desired by the undersigned.
PENSIONS are increased under recent Acts of Congress (governed by wounds or disability) to $15, $20 and $25 per month. Pensions are paid to mother, father, brothers and sisters from time of discharge or death. Pensioners can be paid by the Agent here, instead of by the Agent as formerly. Heirs of deceased soldiers entitled to a pension had better apply to the undersigned, who gives gratuitous advice to all.
BOUNTIES allowed with Discharge in full as well as with the Discharge.
The Oregon, Washington and California Indian War Debts are being paid. Hundreds of these claims are yet unsettled, which have been suspended for want of additional evidence or abandoned for want of proper effort to urge them to payment. The undersigned has collected many claims which have been abandoned by agents, and owners of the therefore requests all persons having such demands on the government or on any State to give him a call.
PATENTS obtained in the shortest time possible.

CHARTRES COFFEE!
Manufactory Established in June, 1851.
STEAM POWER NOS 625 AND 627 FRONT ST.
HAS CONSTANTLY ON HAND GROUND AND ROASTED COFFEE, GREEN COFFEE of the best qualities, CREAM OF TARTAR and SPICES of all sorts.
The undersigned, who has always enjoyed public confidence for the excellent quality of his Coffee, neglects nothing to justify the good name acquired by his productions, the sale of which daily increases. The acknowledged superiority of his merchandise, which commands here and in the markets of the interior, a relatively higher price, excites the cupidity of some manufacturers, and every day he sees increasing the number of those who, by counterfeit or imitation of his mark, seek to deceive the public, palming upon them their inferior productions for the genuine G VENARD CHARTRES COFFEE. This fraud can deceive nobody after a trial, but only adds to the favorable opinion of the consumers the very flattering though unwilling testimony of the counterfeiters. Nevertheless buyers should be forewarned, and placed on their guard against this practice.
BEWARE OF COUNTERFEITS.

TOUCHING INCIDENT OF THE WAR.—After the battle of Blue Station [illegible] East Tennessee the rebels were guilty of all manner of indignities [illegible] they stripped their [illegible] and shot all persons who came near the [illegible] attention to the [illegible] John Bunting [illegible] was [illegible] Near [illegible] little girls [illegible] give the [illegible] burial. They took the night for their task. With lanterns and tools in hand [illegible] on their shoulders [illegible] sought the body of the dead drummer boy. From their scanty wardrobe [illegible] the body for the grave. With their own hands they made a rude coffin [illegible] which they decently put the body [illegible] grave and lowered [illegible] covered it over. The [illegible] the rebels to the spot. The sight was too much for them. The stillness of the night, the story so eloquently told by the [illegible] of the two little girls. Not a word was spoken to or interfered [illegible] when the sacred rites of burial were [illegible] parted and the little drummer boy was left undisturbed in his grave on the battle field.

SPIRIT OF THE DEMOCRACY.—The Raleigh North Carolina *Standard* of the [illegible] instant contains an account of a Democratic Congressional convention, held in Fayetteville the previous Wednesday [illegible] Democratic candidate for Congress [illegible] and Blair elector. After the Convention speeches were made. In the evening there was a torchlight procession. Among the mottoes on the banners, carried by the Democratic procession, was a picture of a heart, painted black, pierced with a knife with the words, "Death to Scalawags." Another banner bore the legend, "Scalawags and Carpet-baggers to be driven from the State." A third read "Our Noble Statesman, Jefferson Davis." There were others of a similar threatening and treasonable tenor. Threats were frequent and attacks upon Republicans were several times made. A rebel flag was raised in the yard of a Seymour and Blair Democrat. One of the delegations on its way to the Convention stopped to tar and feather a staunch old Union man and respectable planter named John Bullock. This is Seymour and Blair Democracy in North Carolina as described by the leading newspaper of the State.

ENGLISH NAMES.—We need never expect anything like uniformity in the pronunciation of such English proper names as exhibit an eccentric orthography. The British have a habit of slaughtering not only vowels but also consonants when they stand in the way of their organs of speech. An American gentleman was once introduced to an Englishman in London whose name was Sinjun Slijer Slidger, as our countryman understood it. After an acquaintance with this gentleman of several months duration, the American had occasion to address him by letter, and then, of course, he had to determine upon the orthography of his name. Not feeling equal to the emergency he called upon an English friend for aid, when to his amazement and bemusement he learned that the spoken name Sinjun Slijjer or Slidger was written St. John St. Leger! After that he was ready to accept any orthographic monstrosity without question, as the reader will also doubtless be, by the time he has been six months in England.

FINANCE AND COMMERCE.

WEEKLY REVIEW.

PORTLAND, Oct. 30, 1868.

Gold quotations at New York on the 29th 134⅞. San Francisco legal tender rates, 73½@74.

In the San Francisco produce market but little change is noted during two weeks past. Wheat is quoted at $1 60@1 90. California white Wheat at New York dull at $1 80@1 60, at Liverpool, 12s 7d.

Oats—Oregon extra command $2@2 15.

The Portland markets present still very little change. Owing to the rain which has fallen considerably during the week, putting out the vast fires in the woods, and to some extent dispelling the fogs, navigation has been less difficult than for some time previous. A sufficient rise in the river, however, has not yet taken place to materially inc[illegible] the facilities of transportation on the Willamette. Flour and grain is received in quite sufficient q[illegible] to supply the demand and leave a large surplus, especially of grain for exportation. Prices remain as in last week's report, but the probabilities are more in favor of a decline than otherwise. There is a large quantity of oats and some wheat on store in the city awaiting shipment. The *Stephens*, on her last trip left here on the 27th with a full freight, mostly grain and flour. Prices in California and the East are such that no great margin is left to shippers.

A slight upward tendency is again noticed in some brands of sugar. California cheese is a few cents higher. Oregon lard is advancing. Coffee is firm at our quotations. Other staples are ruling at the prices given. The market is not overstocked at present, in fact, scarcely full, owing to the failure of several vessels to arrive when regularly due. The *Stephens* and *Live Yankee* from San Francisco, and the *Wright*, from Victoria arrived during the week. The two latter are now in port.

Butter generally is received, and better than are near at hand.

Mr Zachariah Wilson, Portland, Oregon, writes:

It requires an article of real merit and intrinsic value to sustain itself during the stormy ordeal of public experiments. Murray's Improved Magic Oil has stood the test of time and has not been found wanting. The astonishing efficacy that I experienced—its curing me of Chronic Rheumatism and Lumbago of long standing—entitles Dr. Murray's Premium Lung and Liver Balsam and Improved Magic Oil to a high rank in the list of remedies for Rheumatism, Lumbago, Earache, Distressing Pains etc.

John English of Howell Prairie, Marion county, Oregon writes:

I was taken with a severe attack of Rheumatism in my knee joints and extremities accompanied with a severe cough for two months so that I had to use crutches meanwhile trying all remedies in common use. Your Magic Oil and Balsam gave the instant relief, and I was able to walk in four days without crutches. I have not felt any rheumatism since. I have seen your family medicines used with excellent success. I have no hesitancy in saying it is the best preparation for family use ever tried for those complaints. I am now on my way to South America after residing in Oregon twenty years. I am now have two dozens Balsam and two dozens of your Magic Oil, dollar bottles, as I am sure they are the best remedies in Oregon, and I would not be without them in my house, and when this package of medicine is exhausted I will send to your office in Portland for a fresh supply. DR. HOSTETTER'S STOMACH BITTERS.

Although the fame of this renowned invigorant rests mainly on its astonishing cures of Dyspepsia, Liver Complaint and intestinal disorders it is equally efficacious in nervous complaints. Thousands of ladies resort to it as a remedy for hysteria, fluttering of the heart [illegible] general debility and all peculiar [illegible] derangements to which as a sex they are subject. THIS VALUABLE LABOR SAVING MACHINE, which has already been adopted in nearly every Agricultural county in the State of California, and in every county where it has been presented, has been brought to Portland by

who holds the exclusive right to the sale of the State of Oregon, and is now ready to supply the farmers of this State with machines, and to sell county rights to manufacture the same.

This machine saves the entire cost and labor of sowing a field excepting the cost of a machine—the same team being used for sowing and harrowing as is used for harrowing alone, the farmer or his boy riding and driving his team, instead of walking and carrying his heavy sack and then walking and dragging his grain in.

The inventor of this valuable aid to farmers is a man of large experience in seeding machines, and has happily succeeded in this invention in producing a machine which, while it carries the farmer as if in a sulky, sows wheat, barley, oats and peas with greater regularity than the same is sown by hand [illegible] the harrow [illegible] Any intelligent farmer will [illegible] that the X-L-SIOR Grain Sower will save [illegible]

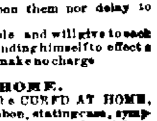
TO THE UNFORTUNATE.

NEW REMEDIES, NEW REMEDIES

Dr. Gibbon's Dispensary,



616 KEARNY STREET NEAR COMMERCIAL, San Francisco. Established in 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhea, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc. Skin Diseases (of years standing) and Ulcerated Legs successfully treated.

Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering from an incurable existence from the effects of secret indulgences, or from virus absorbed into the system! Look at their pallid, emaciated and disfigured faces and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians, friends attend to those who are suffering with any of these horrible life-destroying maladies, see that they are cared for and cured before it be too late. Send them immediately to Doctor Gibbon, a physician who has made private disease his especial study for years and who has been able to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

Seminal Emissions, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under the eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and various eruptions about the face, furred tongue, fetid breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give One Hundred Dollars to any person who will prove satisfactorily to him that he was cured of his complaint by either of the San Francisco quacks.

MARRIED MEN.

Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibility resting upon them nor delay to obtain immediate relief.

DOCTOR GIBBON is responsible and will give to each patient a written instrument, binding himself to effect a radical and permanent cure, or make no charge.

CURED AT HOME.

Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded free from damage and curiosity, to any part of the country with full and plain directions for use, for Ten Dollars sent in registered letter or through Wells, Fargo & Co.

Caution to the Unfortunate.

Beware of the San Francisco quacks and pretenders, who, with bogus sworn certificates, dupe the unwary. Some of the self styled doctors, whose names are to be found in the daily and weekly newspapers of San Francisco and their places, are tradesmen and learn a too lazy to work at their trades. Some are tinsmiths, shoemakers, newspaper carriers, intelligence office keepers, etc. Look over the San Francisco Directory and you will not find their Medical Institutes in it, but you will find their former occupations in it. Look at the Directory for 1862 and 1863. The only way to avoid imposition is to make enquiry—it will cost you nothing and may save you many regrets, for as advertising physicians in eight cases out of ten are bogus, there is no safety in trusting any of them until you know who and what they are. Dr. Gibbon does not deceive people by exhibiting bogus titles, certificates, pretended patients' letters, etc. Dr. Gibbon will satisfy persons who may call at his office of his ability to treat diseases that he proposes to cure.

Address DR. J. F. GIBBON, 616 Kearney street, corner Commercial, San Francisco. Post Office Box 252.

REMEMBER TO PUT BOX 252 ON THE LETTER.

Consultations FREE.

☞ Correspondents will please inform DR. GIBBON that they read his advertisement in the *Daily Oregonian*.

EXTINGUISHER

PORTABLE

SELF-ACTING FIRE ENGINE!

THIS INVENTION HAS FOR ITS OBJECT THE extinguishing of Fires in a more instantaneous manner than has hitherto been discovered.

The advantages to be derived from the use of the EXTINGUISHER are as follows:

Every fire begins on a small scale, and its rapid and uncontrolled increase is owing to the fact that at the time of its commencement, when every moment's delay is [illegible] the king of fire [illegible] means are ready at hand.

The EXTINGUISHER is the only Engine that fills this requirement.

It is always ready for use, though standing unused for years.

It puts out Fire instantly.

It saves the great [illegible] of water now used for this purpose.

It is as effective in the hands of a Boy as the most experienced Fireman.

It is portable, and as easily handled as a bucket of water.

It possesses within itself the power of a force pump and as effective as a Steam Engine.

It is the only known [illegible] that will put out Fires from Kerosene, Turpentine [illegible]
